*In light of the current Covid-19 situation we have implemented new safety procedures for our showings. Our goal is to provide everyone with a safe experience as you tour our homes. We are cleaning and sanitizing the homes on a regular basis for added safety measures. We kindly ask that all visitors follow the safety procedures below:

- All visitors must be 100% healthy and have not been exposed to anyone sick. If you have been exposed or have any symptoms of illness, please re-schedule for another time.
- We ask that all visitors wear a mask and gloves during the tour and avoid contact with surfaces as much as possible.
- We are limiting showings to allow only one group (maximum of three people) in a home at one time to allow for proper social distancing (minimum of 6 feet).
